WINDSOR CASTLE

1st April, 2015

Dear Miss Sankulkar,

The Queen wishes me to thank you for your letter in which you tell Her Majesty of your work as a Psychologist and creative writer and of the influence Britain and the English language have had on your life.

The Queen was interested to hear of your participation in a Writer's Retreat in the United Kingdom in 2012 and glad to know of the continuing contacts you created at this event. It was also kind of you to enclose the colourful calendar you and your organisation in Mumbai have created. Her Majesty was touched by your thoughtful gift.

I am to thank you for the loyal sentiments you expressed and, once again, for writing as you did.

Yours Sincerely

Mary Morrison.

Lady-in-Waiting
